PATCHES INTO THE FUTURE

We need to put together a couple of fundraising ideas – would really like to have some feed back from you all about what we could do – looking at raising at least \$2000 we can move towards perhaps [holding an additional show in our 21st Birthday year 2020.](#)

Please let me know who would be prepared to assist with a local Bay of Plenty show to be held early in 2020 perhaps just for Neuter/Spay, Companions & Domestic and maybe extended to include kittens if we can get enough interest in managing the event. There is new interest in the community around cat ownership and as a club we can actively work with owners to ensure they have the right tools to ensure that they are responsible pet owners.

WELCOME TO OUR NEW MEMBERS

I have recently come back into the world of cat showing and breeding having previously bred Devon Rex under the CurliWinks prefix from 2001-2009. After a long break away I was tempted back after getting 2 Siamese/Oriental and deciding to come back to cat shows and see if I enjoyed it again - well now I am a couple of years into "just trying it out again" and have imported 2 Devon Rex with my original lines to get started again and have been showing my stud boy "Hotti" this year.

I am now in Tauranga, was originally in Auckland and live here with my photographer husband Dale, 8-year-old son Lucas and 90-year-old Mum and work full time. I am delighted to join Patches N Points and look forward to working with the committee to further my involvement with cats and NZCF in the coming years.

Kind Regards **Di Hobson**

Nico Villaroman

I have been involved in dog and cat showing and breeding all my life. In Manila, the Philippines where I came from, I bred Persians and American Curls under the prefix Silkwood.

When I came to this country in 2012, I have resumed dog showing with my Chinese crested and King Charles Spaniel, as well as getting into showing and Colourpoint Persians. Then, I have added exotic shorthairs into my programme. I am just grateful to have been mentored by Elizabeth Halley (Strathern), Diana Puru (Alamo), Helen McCaig (Helenca), and David Crymble.

I do not have a prefix yet with NZCF but with another club, I am using Blue-Bay.

Thank you.

Nico

We are delighted to endorse the membership of Patches & Pointed for Di & Nico and look forward to working alongside them and our other new members (Bio's to follow in next issue) in future shows or club events
